<b>Website:</b> <a href="http://mathpost.asu.edu/~severs">http://mathpost.asu.edu/~severs</a>	<b>Office Hours:</b> M-Tu-W 10am-11am
<b>Class Text:</b> <i>College Algebra, Seventh Edition</i> by Sullivan	<b>Calculator:</b> Any graphing calculator will suffice. Recommended: Ti-83, Casio 9850

This course is a 5 week summer session course covering Chapters 1-5 in the Sullivan text. Due to the length of the summer session attendance will be mandatory to make sure students don't fall behind. Students are expected to read ahead and be prepared to discuss material from the book during class. We will cover approximately two sections per day with a tentative schedule given below, subject to change at the instructor's discretion.

Week	Sections Covered
1	R.1,R.2, R.4,R.5,R.6,R.7,R.8, 1.1
2	1.2, 1.4, 1.5, 1.6, 1.7, 2.1, 2.2, 2.3
3	2.4, 2.5, 3.1, 3.2, 3.3, 3.4, 3.5, 3.6
4	4.1, 4.2, 4.3, 4.4, 4.5, 4.6
5	5.1, 5.2, 5.3, 5.4, 5.5, 5.6

At the end of each week there will be a homework assignment due and an exam on Friday(starting week 2). The exam and homework assignment will cover the same material so it is recommended that students complete the homework in order to prepare for the exam. The exams will not be cumulative. The grading will be as follows:

Exams x 4	10% each, total 40%
Homework	40%
Attendance/In class participation	20%

Homework assignments will be given at the start of each week, check the course website if you are unsure of the current homework. Students may work together on homework however each student needs to turn in their own work. Changes to this syllabus and helpful links can be found on the course website.
